

Hey

Julio Iglesias

Whassup playboy?

Whassup Don Breezio?

Just chillin' man, you out there crackin' it alright

Tryin' to do my thing ya know Thats right, you know what I'm saying

Make sure you watch your back man

Yeah, yeah

Be out there making that money, know what I'm sayin'

Want you to keep on getting bread on your table, you know

Yeah, yeah You know what I'm saying there's a gang of little breezies out there

Trying to like, you know what I'm saying, sly up underneath you

You know I'm saying, you gotta make sure

You know I'm saying, you readin 'em and checkin 'em

Before they get through the front door, you know what I'm saying Sure

As long as you making that money

Make that money play boy

Yeah
