## **Keep on Movin**

## **C-Block**

I woke up today with this feeling

That better things are coming my way

And if the sunshine has a meaning

Telling me not to let things get in my wayWhen the rainy days are dying

Gotta keep on, keep on trying

All the bees and birds are flying

Never let go, gotta hold on in

Nonstop 'til the break of dawning

Keep on moving don't stop rockingGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay

Keep on movin' on anywayFeels like I should be screaming

Trying to get it through to my friends

Sometimes it feels that life has no meaning

But I know things will be alright in the endWhen the rainy days are dying

Gotta keep on, keep on trying

All the bees and birds are flying

Never let go, gotta hold on in

Non stop 'til the break of dawning

Keep on moving don't stop rockingGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay

Keep on movin' on anywayWhen the rainy days are dying

Gotta keep on, keep on trying

All the bees and birds are flying

Never let go, gotta hold on in

Non-stop 'til the break of dawning

Keep on moving don't stop rockingGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay

Keep on moving on anywayGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay

Keep on moving on anywayGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay

Keep on moving on anywayGet on up when you're down

Baby, take a good look around

I know it's not much but it's okay
