

Krisco Kisses

Frankie Goes to Hollywood

Hunger, hunger
I love like thunder, yeah
Hunger, hunger
You feed my hunger, yeah
Hunger, hunger, yeah Take it to the top
My love, let's take it to the top
With a fist way past the rest
Take it to the top You fit me like a glove
My love, you fit me like a glove
Give my friend, my be-bop
Take it to the top, my love Krisco kisses, kisses
Never misses, misses
Krisco kisses, kisses
You can take it, take it, up, up and up Hunger, hunger
I love that thunder, yeah
Hunger, hunger
You feed my hunger, yeah
Hunger, hunger, yeah Take it to the top
My love, let's take it to the top
With a fist way past the rest
Take it to the top You fit me like a glove
My love, my little puppet glove
Give my friend, my be-bop
Take it to the top, my love, yeah Krisco kisses, kisses
Never misses, misses
Krisco kisses, kisses
You can take it, take it, up, up and up Higher, higher
I love like thunder
You feed my hunger, yeah Higher, higher
I love like thunder
You feed my hunger, yeah Hunger, hunger
Hunger, hunger
Hunger, hunger You fit me like a glove
My love, you fit me like a glove
Give my friend, my be-bop
Take it to the top, my love Krisco kisses, kisses
Never misses, misses
Krisco kisses, kisses
You can take it, take it, up, up and up

Up, take it, take it, up
