

Is This Really Love

[Rick Astley](#)

There are times when a woman makes you laugh and cry
Nobody knows when she is tellin' lies
I just want to hear the truth from you
So don't play those games, the way you always do
You don't have to hide the way you feel
(Ooh)

Tell me if your love for me is real, yea
Is this really love?
Is this the real thing?
Is this really love?
Can it be the right thing?
I was born in a prison there was no way out
If you want to be heard you got to scream and shout
You don't know the kind of mess I'm in
Nobody else is gonna save my skin but
You have got the key to set me free
(Ooh)

If you want my love then rescue me
Is this really love?
Is this the real thing?
Is this really love?
Can it be the right thing?
Is this really love?
Is this the real thing?
Is this really love?
Can it be the right thing?
You don't have to hide the way you feel
(Ooh)

Tell me if your love for me is real
Is this really love?
Is this the real thing?
Is this really love?
Can it be the right thing?
The right thing?
Is this really love?
Is this the real thing?
Is this really love?
Can it be the right thing?
Right thing, right thing
Is this really love?
Is this the real thing?
Is this really love?
(Can it be the right thing)
Can it be the right thing?
(Right thing, right thing)
Is this really love?
Is this the real thing?

Is this really love?
Can it be the right thing?
