

Fires

[Matt Redman](#)

What heart could hold the weight of Your love
And know the heights of Your great worth
What eyes could look on Your glorious face
Shining like the sun

What heart could hold the weight of Your love
And know the heights of Your great worth
What eyes could look on Your glorious face
Shining like the sun

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are

Your name alone has power to raise us
Your light will shine when all else fades
Our eyes will look on Your glorious face
Shining like the sun
Who is like You, God?

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are
Jesus, You are
Jesus, You are

Who shall we say You are
You're the living God
Who shall we say You are
You're the great I am

The highest name of all
You are all You say You are

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are

And You shall come again in glory
To judge the living and the dead
All eyes now look on Your glorious face
Shining like the sun
Who is like You, God?
You're holy
Only You are holy

You are holy, holy, holy
God most high and God most worthy
You are holy, holy, holy
Jesus, You are
Jesus, You are
Jesus, You are
Jesus, You are
Jesus, You are
Jesus, You are
