

I Feel Fine

Wet Wet Wet

Baby's good to me you know
She's happy as can be you know
She said so, she said so
And I'm in love with her, I feel fine Baby says she's mine you know
She tells me all the time you know
She said so, she said so
And I'm in love with her and I feel fine, I feel fine, yeah Woah, I'm, I'm so glad, I'm so glad that she's my little
girl, yeah
She's so glad, she's so glad that she's telling all the world
She's telling all the world, yeah
That her baby buys her things you know He buys her diamond rings you know
She said so, she said so
And she's in love with me and I feel fine
I feel fine, yeah, yeah, yeah And I feel fine, and I feel fine
Come on, ah listen
Come on, listen And baby's good to me you know
She's happy as can be you know
She said so, she said so
And baby's good to me you know She's happy as can be you know
Buys her diamond rings you know
Buys her diamond rings you know
She said so Baby, lady Baby's good to me you know
She's happy as can be you know
She said so, she said so
And she's in love with me and I feel fine
And I feel fine, yeah Woah, I'm so glad, I'm so glad that she's my little girl, yeah
She's so sad, she's so glad she's telling, she's telling all the world
That her baby buys her things you know
He buys her diamond rings you know She said so, she said so
And she's in love with me and she's in love with me
And she's in love with me and I oh, I feel fine, yeah
