

# Wasted (feat. Plies)

Gucci Mane

Ha, ha, ha, ha, ha, ha  
(I'm wasted)  
Ha, ha, ha, haHa, rock star lifestyle might don't make it  
Living life high everyday click wasted  
Sipping on purple stuff rolling up stanky  
Wake up in the morning ten o'clock drinking  
Party, party, party, let's all get wasted  
Shake it for me baby girl, do it butt naked  
I'm so wasted, she so wasted shout the bartender  
Send twenty more casesGeeking like Whitney, geeking like Britney  
Gucci no hippie but it's on like Jimmy  
X Pill poppers geeked up crazy whole click rolling  
Everyone wasted purple codeine Sprite pink don't waste it,  
Mix up, grandma drank it and didn't taste it,  
Now grandma sipping syrup leaning wasted  
Walking 'round fuck up  
Twisting her finga home gurl  
Slipped up drunk got wasted now  
She back stage an she tryna get famous  
Hit me up the drinky, drinky Gucci Mane shake it,  
Club night, damn right, Gucci Mane wastedRock star lifestyle might don't make it  
Living life high everyday click wasted  
Sipping on purple stuff rolling up stanky  
Wake up in the morning ten o'clock drinking  
Party, party, party, let's all get wasted  
Shake it for me baby girl, do it butt naked  
I'm so wasted, she so wasted shout the bartender  
Send me twenty more casesI don't wear tight jeans like the white boys  
But I do get wasted like the white boys  
Now I'm looking for a bitch to suck dis almond joy  
Said she gotta stop sucking 'cause her jaw's sore  
Gotta bitch on the couch, bitch on the floor  
Party just popping up but now he rolling more  
Rolled on, three pills now, he on four I don't know, why?  
But that Remy turned into a whore  
Walked in the club, pocket full of big faces  
Got the forty on my waist and it's off safety  
'Bout forty goons wit' me and we all wasted  
Only Remy straight tonight dog no chasingRock star lifestyle might don't make it

Living life high everyday click wasted  
Sipping on purple stuff rolling up stanky  
Wake up in the morning ten o'clock drinking  
Party, party, party, let's all get wasted  
Shake it for me baby girl, do it butt naked  
I'm so wasted, she so wasted shout the bartender  
Send me twenty more cases Whole click faded we geeked up crazy  
Big boy bracelet we white boy wasted  
No shirt, fuck it unless your arms tatted  
We slopping trunk disgusted the liquor keep wasting  
285 east side me and Plies wasted  
Racing seven big booty broads chasing  
Spring break fifty thousand white girls shake it  
Some dancing naked  
But everyone's wasted  
Magic city Monday  
Ball players wasted  
This one for yo' uncle drinking Thunderbird wasted  
Twelve pack wasted  
I need more cases  
And Gucci not a racist  
All my diamonds Caucasians Rock star lifestyle might don't make it  
Living life high everyday click wasted  
Sipping on purple stuff rolling up stanky  
Wake up in the morning ten o'clock drinking  
Party, party, party, let's all get wasted  
Shake it for me baby girl, do it butt naked  
I'm so wasted, she so wasted shout the bartender  
Send twenty more cases Ha ha ha  
This is GPSA (Gucci!)  
(Ghetto public service announcement)  
We don't get fucked up no more, we get wasted  
Gucci Mane, Plies, Fat Boi, wasted
