Janelle MonÃ¡e, Deep Cotton

The way you are now
You're never gonna make the bus
Even though
Everybody's so impressed
You've got "Do Androids Dream of Electric Sheep?" under your pillow
Oh!

I saw you spit on London just like you were a Peter Pan

The way you are now
You're never gonna make it in my kitchen
Still everyone's so excited
Last I was here I was convinced I was your favorite warrior

I've got a terrible fixation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy

You wanted me just for a holiday
Or was it to pad your resume?
What do you give me but unwanted breakthroughs
Strange how certain details subvert everything

I've got a terrible sensation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy

OMG! WTT!
Aww girl we been through hell about it!
Then I see our friends and
Everybody's so excited!
I'm standing over you eating juicy fruits till it gets in your eye!

I've got a terrible fixation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy

I've got a terrible fixation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy

I've got a terrible fixation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy

I've got a terrible fixation
Can't get it off my mind
Don't really want to know it better
Want to keep it in the realm of fantasy
