I don't know where I going  
But I know where I being  
Going to heaven a thousand times  
But they never let me in(angel falls)  
I saw streets of gold  
And now the restless soul pretend a way  
Now try so hard  
But my reckless heart  
Went to strang.  
And now the angel faaalls  
And now the angel faaalls in love.(x2)I saw streets of gold  
And now the restless soul pretend a way
