

Samiyam

Well, its trapped up inside you  
Theres no peace, theres no hope  
When its trapped up inside youWell, come this way  
    Come this way now  
    Your position is weakening  
Your position is goneWell, it doesnt even matter  
    What youre thinking  
It doesnt matter at allWhen, its trapped up inside you  
    Theres no peace, theres no hope  
When its trapped up inside youWell, come this way  
    Come this way now  
    Your opinions are changing  
Your opinions not sound, noIt doesnt even matter  
    What the truth is  
All that matter is nowWhen, its trapped up inside you  
    Theres no peace, theres no hope  
When its trapped up inside youWell, come this way  
    Come this way, now  
    Youre selling yourself, youre cold  
Youre selling yourself at 27 years oldWell, its trapped up inside you  
    Theres no peace, theres no hope  
    When its trapped up inside you  
Theres no peace, theres no hopeWell, come this way  
    Come this way now  
    Youre selling yourself, youre cold  
    Youre selling yourself at 27
