

# Are You Ready to Be Heartbroken?

Lloyd Cole

Looking like a Born Again, living like a heretic  
Listening to Arthur Lee records  
Making all your friends feel so guilty about their cynicism  
And the rest of their generation  
Not even the government are gonna stop you now  
But are you ready to be heartbroken?  
Are you ready to be heartbroken?  
Pumped up full of vitamins  
On account of all the seriousness  
You say you're so happy now  
You can hardly stand  
Lean over on the bookcase  
If you really wanna get straight  
Read Norman Mailer  
Or get a new tailor  
Are you ready to be heartbroken?  
Are you ready to be heartbroken?  
Are you ready to bleed?  
What would it take, what would it take to wipe  
That smile off of your face?  
Are you ready to be?  
Are you ready to bleed?  
Are you ready to be heartbroken?  
Are you ready to be heartbroken?  
Well, you better get ready now, baby  
Ready to bleed  
(Ready to bleed)  
Ready to bleed
