

# Some Like It Cold

## Hopes Die Last

I tried to do my best  
but nothing seems to be alive  
cause every time I speak  
I see your walls falling and now  
when I come around you all are  
on your knees  
So, what can you say?  
did I fail? You know that  
I try to do the best I can  
but you don't care  
and I swear  
I swear I'll never be like you  
and that's the truth  
cause I can see  
that you are playing  
hide and seek  
with all my dreams Never met no one that  
hates me like you do  
but hey, I can understand it cause everytime I speak  
I see your walls falling  
but now I dare  
so show me how  
to play this game you know that  
I'm trying to be myself again  
but you don't care  
and I swear  
I swear i'll never be like you  
and that's the truth  
cause I can see  
you are playing hide and seek  
with all my dreams I'll wake up  
I'll wake up  
I'll wake up  
so try to hit me now  
try to steal myself again  
I try to do the best I can You know that  
I try to do the best I can  
You know that  
I'm trying to be myself again

but you don't care  
and I swear  
I swear I'll never be like you  
and that's the truth  
cause I can see  
you are playing hide and seek  
with all my dreams and I swear  
I swear I'll never be like you  
and that's the truth  
cause I can see  
you are playing hide and seek  
with all my dreams
