Victimized

Linkin Parkæ”€

[Shinoda:]
No regret for the confidence betrayed
No more hiding in shadow
Cause I won't wait for the debt to be repaid
Time has come for you
[Chester:]
[Chorus]
Victimized, victimized, never again victimized [x2]
[Shinoda:]
They're acting like they want a riot, it's a riot I'll give them
As the sound comes higher on this violent rhythm
These snakes in the grass, supplying the venom
I ain't scared of your teeth, I admire what's in 'em
Keep 'em waiting in the shadows there, thinking they hidden
But the truth is you don't have the stomach to get 'em
Go on already, hit 'em! You gotta be kiddin'
Wanna talk about a victim, Imma put you there with 'em!
[Chester:]
[Chorus]
Victimized, victimized, never again victimized [x2]
(No!)
