Happy Ever After

Julia Fordham

Shake my bones
And rattle my grave
He?s gone diggin? in the bitch again
Back tattoo of a big black snake
Don?t go telling me she?s just a friend
Hey lil mama who ya gonna poison now?
Hey lil papa who ya gonna run to now
It?s been a long time coming
And this house is burning down
Don't know how I ever loved you
I was blind and running
Into what?s in front of me
If I only knew
That happy ever after wasn?t you
Hurt me
Hate me
Throw me down
15 years I give you me
To lie alone in this red neck town

A better lover did I have to be
Hey lil mama what you gonna break up now?
And hey lil papa who ya gonna run to now?
It?s been a long time coming
And this house is burning down
Don't know how I ever loved you
I was blind and running
Into what?s in front of me
If I never knew
That happy ever after wasn?t you
It?s been a long time coming
And this house is burning down
Don't know how I ever loved you
I was blind and running
Into what?s in front of me
If I only knew
That happy ever after wasn?t you
Happy ever after wasn?t you (x3)
Happy ever after wasn?t you

Happy ever after wasn?t you
