Look What You'Ve Done

Tree63

Look what You've done for me, Your blood has set me free
Jesus my Lord, look what You've done for me
I haven't been the same, ever since that day I called Your name
Yahweh, Yahweh look what You've done for meWhat can I do for You my Lord?
I want You to know, my heart is Yours
It's not a question of what You can do for me
But what can I do for You my Lord?Up to Your cross I crawled, now I am standing teen feet tall
Jesus my Saviour look what You've done for me
You're free at last I'm free, I owe You my life completely
Yahweh, Yahweh look what You've done for meWhat can I do for You my Lord?
I want You to know, my heart is Yours
It's not a question of what You can do for me
But what can I do for You my Lord?
My Lord, Hallelujah, HallelujahWhat can I do for You my Lord?
I want You to know, my heart is Yours
It's not a question of what You can do for me
But what can I do for You my Lord?What can I do for You my Lord?
I want You to know, my heart is Yours
It's not a question of what You can do for me
But what can I do for You my Lord?
My Lord, HallelujahLook what You've done, look what You've done
Look what You've done for me, my Lord
Look what You've done, look what You've done
Look what You've done for me, my LordLook what You've done, look what You've done
Look what You've done for me, my Lord
It's not a question of what You can do for me
What can I do for You my Lord? Yeah
