

Sit Next to Me

Foster the People

Yeah, it's over, it's over
I'm circling these vultures
Got me praying that it's longer
Feeling something rotten
Last time I saw you said "What's up?"
And pushed right through
Then I tried to catch you
But we're always on the move
And now it's over, we're sober
Symptoms of the culture
And the night ain't getting younger
Last call's around the corner
Feeling kinda tempted
And I'm pouring out the truth
Just fading out this talk is 'cause now all I want is you
I'm saying, come over here sit next to me
We can see where things go naturally
Just say the word and I'll part the sea
Just come over here and sit next to me
Ooh-Ooh-Ooh And I'll take you high, high
Ooh-Ooh-Ooh
Well, I ain't frontin' my intention
Got your man outlined in chalk
It's a midnight intervention
Got no plans to make it stop
Last time I saw you said
"You wanna keep the light?"
But I'm here to tell you
I'm not trying to change your mind
It's alright
Ooh
It's alright
Ooh
Yeah, come over here and sit next to me
We can see where things go naturally
Just say the word and I'll part the sea
Just come over here and sit next to me Ooh-Ooh-Ooh
And I'll take you high, high, high, high
It's alright

It's alright Yeah, It's alright
Yeah, It's alright
So come over here and sit next to me
We can see where things go naturally
Just say the word and I'll part the sea
Just come over here and sit next to me
Ooh-Ooh-Ooh
It's alright
