Tonight

SonicFlyer

I see the sun in the middle of the night
Cause I'm gonna die but I'm still breathing
I'm scared of my boldness, happy and hopeless
Flying tonight
Do you realize of what you`re deprived
Is there any difference when you lose me
I'm scared of my shadow, leaving my armour
Flying tonightWell I see you, you`re coming down
I`ll show you the way world` spinning round
Are you scared of my boldness
Happy and hopeless Feeling the high?
It wont be you, you`re coming down
But I'm gonna take you up from down
Don't be scared of my shadow
I`ll be your armour, we`ll be flying tonightI see the signs in the middle of the night
Shot by your gun but I'm still breathing
I'm scared of my boldness
Cause me and my old friends
We go flying tonight
Sing me a song in the middle of the night
There`s no beat of my heart but I'm still breathing
Scared of my shadow, leaving my armour
Flying tonightSay that you fly tonight
Say that you fly tonight
Say that you fly tonight
Say you fly home tonightSay that we fly tonight
Say that we fly tonight
Say that we fly tonight
Say we fly home tonight
