# Teddy Bears

## Kevo

(HOOK) as i take a look around, all i ever see..a memorial of teddy bears,on every other street..teddy bears..teddy bears, so many why its so many..teddy bears, teddy bears lost so many lives so many

(VERSE 1) home sour home..this is where i've grown..eye for an eye here..dome for a dome here..every other corner i see teddy bears man whats going on here..80 murders already 6 months in its gone be a long year..it done got wicked wicked wicked wicked (aw yeah aw yeah)..and i can't get wit it wit it wit it wit it (naw)..worst murder rate in my city..lord protect us it's too much hate in my city...they say the devil be workin..i guess its payday in my city...petty people packin pullin poppin pistols..do you got a prayer for my people...too many lives lost on a daily..if this was a book it would be sequel...i was'nt gone talk about it but i'd be fool if i kept this secret,,,thats the problem in the world now some know the truth but they don't wanna teach it

HOOK) as i take a look around, all i ever see..a memorial of teddy bears,on every other street..teddy bears..teddy bears, so many why its so many..teddy bears, teddy bears lost so many lives so many

they wanna be mayweather but he fight for a check..but them boys in the hood they fighting with the tech..between the police and people i see a disconnect..they dont see us as equal thats why they disrespect..listen up..breaking news i gotta break the news..the media keep hate infused thats why we stay confused...i can't forget them bears down in canfield (mike brown)...life is all about progression but we at a stand still..i do this for the people that done lost fam to the streets yea...do this for the mothers that done lost sons to police yea..do this for the people that done slipped up and made wrong choices,,and the voiceless..i do this for yall

HOOK) as i take a look around, all i ever see..a memorial of teddy bears,on every other street..teddy bears..teddy bears, so many why its so many..teddy bears, teddy bears lost so many lives so many
