No One

Ron Sexsmith

I've got no-one to sing this for
No-ones in the room
He's always there to lend a helping hand
No one understands
And I've got no one in my corner when I'm going down
And I'm wondering if there's anyone out there
No one seems to care
I'm gonna heave my troubles over the mountainside
Where my guardian angel resides
He says I'm the losing kind
Well
Takes one to know oneAnd I've got no one by my side
To tell me trouble's too
In a world it seems to value your only fame
No one knows my nameI'm gonna leave my worries down by the river side
Where my guardian angel resides
He says I'm the losing kind
Well, takes one to know oneAnd I've got no one to sing this for
No-ones in my house
He's always there to lend a clapping hand
No one understands
