Dance For Me (feat. NAV)

Tory Lanez

She don't dance but she dance for me
She ain't even tryna get these bands from me
Rollie shining, that means it's bands to get
Shawty play your position, we gon' dance together
She don't dance but she dance for me (dance, dance)
She ain't even tryna get these bands from me (bands, bands)
Rollie shining, that means it's bands to get (bands to get)
Shawty play your position, we gon' dance together (ooh, ooh, ooh)Thumbin' through the bands and you dancin' (ooh, ooh, ooh)
I be flippin' yams but I'm handsome
Askin' if I dance when you dancin' (dancin')
I just say, "the gun is hard to dance with" (dance with)
Fuck you boys, I did this by my damn self (ooh, ooh, ooh)
I just fell in love with my bando (ooh, ooh, ooh)
I just fell in love with a bad one
I get in the club, sneakers glow up and I bagged 'em, this shit
All my boss bitches in CÃ©line too (CÃ©line, yeah)
She ain't wanna fuck me, she ain't mean to (she ain't mean it)
Diamonds dancin' on me and she dancin' on the pole
So I guess we both do the same thing too (ooh, ooh)
She don't dance but she dance for me (dance, yeah)
She ain't even tryna get these bands from me (bands, bands)
Rollie shining, that means it's bands to get (bands, yeah)

She ain't even tryna get these bands from me
(All these bands on me)
Rollie shining, that means it's bands to get
Shawty play your position, we gon' dance togetherShe dancin' on me 'cause she saw my diamonds dancin' (bling)
Love makin' music, takin' drugs my second passion
I know some bitches that stay ready for that action
I'm a boss and I'll pay you double what you askin'
She said some pussies in my city said they lookin' for me
Got a chicken in my kitchen and she cookin' for me
Got to B-Town, all these brown boys start to lookin' like me
I'm the one they wanna see, now all they bookin' is me
She hold me down so I ain't got time for no side hoes
She hold it down and won't say shit to the 5-0

Blow it down like every week we smokin' 5 oz
If the doors don't go up, we don't want that Lambo (skrrt)
She don't dance but she dance for me (dance, yeah)
She ain't even tryna get these bands from me (bands, bands)
Rollie shining, that means it's bands to get (bands, yeah)

She love to do it with no hands for me, baby
Might fuck around and take a chance on me, baby
Rappers spendin' and hold advance on you, baby
Rollie shinin', that means it's perfect timin', that mean it's
Time to get to throwin' these bands on you, baby
Hands on you, baby
Signature, my name, tramp stamp on you, baby
Robbin' that pussy, Van Damme on you, baby
Throw the money tall like a handstand
Do it for my self, one band man on it
I make her ride slow when she dancin' on it
I been sent on it, I been pimp on it
I know you so bad that my mans been on it, I

She gon' dance, she gon' dance for me
You only dance, only dance for me
Feel the adrenaline whenever you dance for me, yeah
Adrenaline rushing, adrenaline rushing
