

# Learn to Fly

## Foo Fighters

Run and tell all of the angels  
This could take all night  
Think I need a devil to help me get things right  
Hook me up a new revolution  
Cause this one is a lie  
I sat around laughing and watched the last one die I'm looking to the sky to save me, looking for a sign of life  
Looking for something (to) help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of lying  
Make my way back home when I learn to fly high I think I'm done, nursing patience  
It can wait one night  
Give it all away if you give me one last try  
We'll live happily ever trapped if you just save my life  
Run and tell the angels that everything's alright I'm looking to the sky to save me, looking for a sign of life  
Looking for something (to) help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to fly high  
Make my way back home when I learn to Bridge  
Fly along with me, I can't quite make it alone  
Try to make this life my own  
Fly along with me, I can't quite make it alone  
Try to make this life my own I'm looking to the sky to save me, looking for a sign of life  
Looking for something (to) help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to,  
I'm looking to the sky to save me, looking for a sign of life  
Looking for something (to) help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to fly high  
Make my way back home when I learn to fly  
Make my way back home when I learn to, to, to, to
