The Wheel

Amplifier

Well there ain't no fame and fortune
There's only destiny
Upon the wheel
The wheel of compromiseDriving at the wheel
There is a prisoner
Upon a road of vainlessness
I'm traveling without a rivalWell the wheel is spinning
Round and round and round and round
Yeah the wheel is spinning
Round and round and round and round
Well the wheel is spinning
Locked up your sprit in a cage
To what you run around in circles
Here upon the wheel
Where are we riding to?Well the wheel is spinning
Round and round and round and round
Round and round and round and round
Yeah the wheel is spinning
Round and round and round and round
Round and round and round and round
Well the wheel is spinning
Round and round and round and round
Round and round and round and round
Well the wheel is spinning
Round and round and round and round
Round and round and round and round
Well the wheel is spinning
The wheel is spinning
The wheel is spinning
The wheel is spinning
Just keeps on spinningThe wheel is spinning
The wheel is spinning
