

Unglued

Stone Temple Pilots

Moderation is masturbation
What is what and what makes you feel good?
All these things I think about I think about
Always come unglued Yeah I got this thing it's comin' over me
I got this thing its comin' over me
I got this feeling comin' over me
Over me This confusion is my illusion
Nowhere to look but nowhere to find ya
All these things I'm sick about I'm sick about
They always come unglued Yeah I got this thing its comin' over me
I got this thing its comin' over me
I got this feeling comin' over me over me Moderation is masturbation
What is what and what makes you feel good
All these things I think about I think about
They always come unglued Yeah I got this thing its comin' over me
I got this thing its comin' over me
I got this feeling comin' over me over me Yeah I got this thing its comin' over me
I got this thing its comin' over me
I got this feeling comin' over me over me Yeah, well, yeah
