

My Boys (feat. Trouble, Ralo, Lil Durk)

Young Thug

[Hook: Young Thug]
Hey, them my niggas
Yeah, them my boys
Light him up like he Christmas
If he play with my boys
Yeah, them my dogs, them my boys
Yeah, them my niggas, them my boys
We gon' ball [?] my boys
Yeah, fuck that bitch if you my boy
Yeah, if you my boys[Verse 1: Ralo]
Had a talk with Thug, we was talkin' bout Escobar (Pablo!)
Snitches the only thing a rich nigga stressin' for
Remember we was riding on the motorbus
They'd rob the bank before they think 'bout robbing us
We did this shit ourself, we ain't ask for no help
He'll kill for for real, I'll kill for no Jeff
So now we got right, these niggas went left
Ridin' 'round with them straps, I ain't talkin' seat belts
I swear to god I'll murk 'em if Thugger say the word
We went from robbing these niggas to selling bricks and birds
They had the nerve to say they don't like me riding with Thug
But at first, they liked to see [?] up in the club[Hook: Young Thug]
Hey, them my niggas
Yeah, them my boys
Light him up like he Christmas
If he play with my boys
Yeah, them my dogs, them my boys
Yeah, them my niggas, them my boys
We gon' ball [?] my boys
Yeah, fuck that bitch if you my boy
Yeah, if you my boys[Verse 2: Lil Durk]
My niggas [?], we do it
Play crazy, get smoked like hookah
Whip by like what's up Boopah
No Metro Boomin, boomin'
One call, they pull up shooting
Smash Brothers said we bool
Roll up some ops and wood
My dogs 'nem, they so cool cool

Too turnt up for Lil NuNu
 My niggas demons voodoo
 They facing shit like ooVoo, yeah
 Free the gang, we the gang
 And the chain made of [?]
 We insane, keep a Glock
 If you strayin', bow bow
 Round me, naw naw
 40 [?] sawed off
 FN take this wall off
 Like where is Waldo?
 I'm a street nigga, got my brother's help
 So fuck you other niggas if you on some other shit[Hook: Young Thug]
 Hey, them my niggas
 Yeah, them my boys
 Light him up like he Christmas
 If he play with my boys
 Yeah, them my dogs, them my boys
 Yeah, them my niggas, them my boys
 We gon' ball [?] my boys
 Yeah, fuck that bitch if you my boy
 Yeah, if you my boys[Verse 3: Trouble]
 Hundred shots in the daytime if you ever come play with them, my boy
 Ain't no shootin' up no random houses, got to get your man, you got to kill that boy
 Free Tre, one of the first niggas to ever put me in that field, my boy
 Took [?] , my boy
 Police chasin', we juuged my boy
 Godfather, you know that ain't a question
 How we rocking the [?]
 Y'all still fucking around and got a fresh seven
 Man this shit kinda hectic
 Painful living, growing up missing daddy
 Sister making it better
 Why I be there any time that she need me
 Cause I know that she had me
 In and out, but I didn't know my daddy

 Yeah, just a project nigga, ain't never had shit
 Young [?], if you hit me, get nasty, pussy[Hook: Young Thug]

We gon' ball [?] my boys
Yeah, fuck that bitch if you my boy
Yeah, if you my boys[Verse 4: Young Thug]
Met that bitch when I was in elementary
Met them my niggas before elementary
They been my niggas since before elementary
I swung on his teacher 'bout him, yeah in elementary
Stop all the killing and let's go get it
When you buy you a Bentley, you know you rich

He was broke now his shit lit up like he hit a lick
Lil bitch, slob on the dick
Lil bitty bitch, my diamonds gon' glisten
