Retro Stefson

Odeon, one eye cries you cry me when
Odeon, never wears her smile again
Odeon, we need a better man
Odeon, never speaks again

Baptize bad guys
Mean eyes
Young lives over
Time roll the sides

Baptize bad guys
Mean eyes
Young lives over
Time roll the sides

Kami kami o kami o kami o kami kami kami o kami kami o
Kami kami o kami o kami o kami kami kami o kami kami o

Baptize bad guys
Mean eyes
Young lives over
Time roll the sides

Baptize bad guys
Mean eyes
Young lives over
Time roll the sides

Kami kami o kami o kami o kami kami kami o kami kami o
Kami kami o kami o kami o kami kami kami o kami kami o
