

Fuck This

24 Hours

I never knew a thing never wanted to never wanted anything no not from you they do what you make them do, never knew a thing never wanted to never wanted anything no not from you, you do what they ask of you, they will rise and il fall i thought i knew it all but i did not know about this messed up shit so fuck this.....fuck this. I never felt a thing never wanted to never felt anything no not from you, is it all in this heads never felt a thing never wanted to never felt anything no not from you, cause its all in your head, they will rise and il fall i thought i knew it all but i did not know about this messed up shit so fuck this.....fuck this. I never seen a thing never wanted to never seen any mirracles from you, when will they happen to me never seen a thing never wanted to never seen any mirracles from you, the bush is not burning. they will rise and il fall thought i knew it all but i did not know about this messed up shit so fuck this.....yea fuck this.....fuck

thisssssssssssssssssssssssssssssss
