Sit Down

[Angie Stone](#)

Sit down, let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youSit down, let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youSunny days, purple haze
We chillin' in the shade, oh
I can feel myself gettin' a rush
Oh, I'm so highApple martinis and buffalo wings
Baby, listen to the jay bird sing
La la la la la
La la la laBaby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youBaby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youCruisin' on in Chi town
I'm here to tell you we just don't stop
Makin' our way with Marvin Gaye
Watchin' sunsets on the bayBaby, let me rub your body
With some oil
Can we take it there
I dare you booBaby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youBaby, sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youBaby, oh baby, I said
I'm lovin' the way that you're lovin' me
I'll admit, I'm caught up in my fantasy
And I won't change this feeling for nothin'Sit down let me talk to you
Maybe we can get down if you want, now or later
If you're with it, I'm here to make sure it happens
In the best way for youSit down c'mon
Let's have a conversation
I want to be good to you

(I love you boy)Come over here baby sit down
Let me talk to ya bout what's goin down sugar
I just wanna let you know that I'm feelin' you
Crazy, crazy about youAnd I'm lovin the very ground you walk on
Baby, listen to this song
You know you make me feel
Like a real woman
