

# You Give Me Hope (Bonus)

## Between the Trees

I look at your smiling face,  
You're so weak, yet you have such strength,  
You take a glance around this place,  
You make the best of everything You give me hope, in spite of everything,  
You show me love, even with so much pain  
So I'll take this life and live like I was given another try We laugh, we cry  
Sometimes we're broken and we don't know why,  
I'm tired and I lose my way,  
you help me find faith, oOo You give me hope, in spite of everything,  
You show me love, even with so much pain  
So I'll take this life and live like I was given another try  
Just give me another try You give me hope, in spite of everything,  
You show me love, even with so much pain  
So I'll take this life and live like I was given another try You give me hope, in spite of everything,  
You show me love, even with so much pain  
So I'll take this life and live like I was given another try  
Just give me another try  
Just give me another try
