In Christ Alone

Carroll Roberson

In Christ alone there is righteousness
In Christ alone there is peace and rest
When we stand before His throne
Then we will know it is Christ alone

If all it took was to have a good name
The Son of God died in vain
If water could wash our sins away
Why did Jesus shed His blood that day

In Christ alone there is righteousness
In Christ alone there is peace and rest
When we stand before His throne
Then we will know it is Christ alone

When Jesus died upon the tree
He paid for all sin full and free
It is finished they heard Him cry
Now righteousness by faith is mine

In Christ alone there is righteousness
In Christ alone there is peace and rest
When we stand before His throne
Then we will know it is Christ alone

In Christ alone there is righteousness
In Christ alone there is peace and rest
When we stand before His throne
Then we will know it is Christ alone
