

# My Love

**Lenny Kravitz**

My love paints the desert sky  
My love, walks the hundredth mile  
My love has an angel's smile  
My love  
My love  
Wanna lose my mind inside your head  
My love is a purifier  
My love is my one desire

My love always walks the earth  
My love  
My love  
Wanna lose my mind inside your head  
Wanna lose it, wanna lose it  
Wanna lose myself in your head  
Yeah
