

Love Me More

Blue System

Oh, you're flirting with disaster
In that lonely night caf?BR> And you made my heartbeat faster
 Baby, love'll find the way
 Can you see my tears ?
 Babe, ooh, you made my day
 Give you all these years
I don't mind what people sayI said love me more
 Let's try my heart
 Like before
Oh, can you hear my heartbeat ?
 Can you hear my heartbeat ?
 I said love me more
 The king of clouds
 I give you all
Oh, can you hear my heartbeat ?
Can you hear my heartbeat ?In the shadows in the moonlight
 Oh, between the hard frontiers
 Hear the ocean beating inside
 Oh, the pain over fears
 Can you see my tears ?
 Babe, ooh you made my day
 Give you all these years
I don't mind what people say
