

Road To Somewhere (Acoustic Version)

Goldfrapp

Walking down the Mercer St
Been a long hot summer
Rain like daggers coming
Down on me
Get a feeling it's too late
But alone, together, could
Be we might start it up
Allover again[Chorus]
Dream, dream you're not
Too late
Sweet road to somewhere else Listen to the radio
Are you calling? 3 o'clock I'm on my way
On the road to somewhere
Little clouds like wounds
That blow away
Listening to the radio like a
Friend that guides me
Playing out every song
We used to know[Chorus] Listen to the radio
Are you calling?[x2]
Bring it on
Come along
On the road to somewhere
Take our time
See the signs
On the road to somewhere
