

Scars To Your Beautiful

KIDZ BOP Kids

She just wants to be beautiful

She goes unnoticed, she knows no limits

She craves attention, she praises an image

She prays to be sculpted by the sculptor

Oh, she don't see the light that's shining

Deeper than the eyes can find it

Maybe we have made her blind

So she tries to cover up her pain and hold woes away

'Cause cover girls don't cry after their face is madeBut there's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful

Oh-oh, oh-oh

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautifulShe don't see her perfect, she don't understand she's
worth it

Or that beauty goes deeper than the surface, oh, oh

So to all the girls that's hurting

Let me be your mirror, help you see a little bit clearer

The light that shines withinThere's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautifulOh-oh, oh-oh

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautifulNo better you than the you that you are (no better you
than the you that you are)

No better life than the life we're living (no better life than the life we're living)

No better time for your shine, you're a star (no better time for your shine, you're a star)

Oh, you're beautiful, oh, you're beautifulThere's a hope that's waiting for you in the dark

You should know you're beautiful just the way you are

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful

Oh-oh, oh-oh

And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful
