

Concrete Waves (Remix)

Kendra Morris

Did you ever had a concrete wave
Did you ever had a concrete wave
Did you ever had a concrete wave
 What it's say, what it's say
 Pay me cracks just next to
 Pay me cracks just next to
 Pay me cracks just next to
 Money was spent to
 What you do to feel me

Will bring one down just once sleep forDid you ever had a concrete wave

 Did you ever had a concrete wave
 On back to the golden
 Do the top my hand goes burn

With thoughts of you I never learnAh ah ah ah do you want em, noh

 Ah ah ah ah so you want me, noh
 Ah ah ah ah do you want em, no

 Ah ah ah do you want meDid you ever try to burn a breeze

 Did you ever try to burn a breeze
 Did you ever try to burn a breeze
 Like a it's not easy

 Have a little few too flame
 Have a little bit few to fire
 Have a little bit few fame

 Watch it burn watch it blame higher
 Won't I or quite alright

If you don't tell blaze hand tonightDid you ever try to burn a breeze

 Candles the trees
 Did you ever

 See grant see grants on your fine

If you can't whisper to some whineAh ah ah ah do you want em, noh

 Ah ah ah ah so you want me, noh
 Ah ah ah ah do you want em, no
 Ah ah ah do you want me
