

# Keep Up The Speed

## Sahara Hotnights

It's alright, it's a blast, but they're holding us down  
Start it up, try to move without making a sound  
It's OK, do you want me to make up your mind?  
Guess it is kind of hard to know what we'll find  
Straightaway, we're heading for trouble today  
Hey, we can do it again if you like  
And repeat it again a few times  
We can keep up the speed 'til we die  
Fired up, it's a smash and we're aiming to score  
Carry on, 'cause we're always coming for more  
Put our heads together start a blinding raid  
want to break the record find another way  
Get up going now 'cause we're starting off today  
Gonna try our best and we might succeed  
Working for a change spread another disease  
A little more time is all we ever need  
Hey, hey, hey  
Hey, hey, hey  
Looking out, watch our backs and we'll keep out of sight  
Gonna try to find out what the fuzz is about
