

Silent Sea

KT Tunstall

Advisory - the following lyrics contain explicit language:

I was happy in my harbor
When you cut me loose
Floating on an ocean and confused
Winds are whipping waves up like skyscrapers
And the harder they hit me
The less I seem to bruise
Oh, when I find the controls
I'll go where I like
I'll know where I want to be
But maybe for now I'll stay right here
On a silent sea
On a silent sea
I was happy in my harbor
When you cut me loose
Floating on an ocean and confused
Oh, when I find the controls
I'll go where I like
I'll know where I want to be
But maybe for now I'll stay right here
On a silent sea
On a silent sea
I'll stay right here
On a silent sea
On a silent sea
Oh, when I find the controls
I'll go where I like
I'll know where I want to be
But maybe for now I'll stay right here
On a silent sea
