

# Leaving

## Illenium

Hey  
Just seeing how you're doing  
I just wanted to say that I miss you I guess  
And I'm sorry  
Call me back  
Bye So tell me how I'm supposed to feel now  
60 over the limit just 'cause I can  
They say you know you gotta slow down  
There's no coming back  
So young and restless, I'm a cliché, yeah  
But it's easier said than done  
And I can't keep waiting here I'm just aging  
So I'm gone, such a shame But baby I'm leaving before tomorrow comes  
I don't believe in saying I'm never coming home  
But I'm drawing the line and say whatever you like  
But I'm leaving  
I'm letting go of all I've ever known Still falling in and falling out fast  
I'm burnin' up  
Can't believe this got old so fast  
And I'm done with feeling like I'm told I should 'Cause it's a feeling I'm chasing  
And I ain't found it here in a while  
But I can't keep here I'm just searching  
So I'm gone, such a shame  
But baby I'm leaving before tomorrow comes  
I don't believe in saying I'm never coming home  
But I'm drawing the line and say whatever you like  
But I'm leaving  
I'm letting go of all I've ever known 'Cause I'm leaving  
'Cause I'm leaving
