

# Blackout (Danny Corten Remix)

## Milk Inc.

[Chorus]

Will there be someone to hold  
when the lights go out  
Will I be left in the cold  
when the lights go ..  
BlackoutI was once  
the girl that meet your world  
stand still  
Don't you remember  
In a corner of my mind  
I keep the memory  
of every little thing you said  
you remember me[Chorus]You're the one  
living underneath  
my skin  
Don't you remember  
In a corner of my mind  
I keep the memory  
of every little thing you said  
you remember me[Chorus]Ohohoh...Don't you know me  
don't you recognize me  
don't you  
wonder why[Chorus]
