

# Only (Overman Remix)

## Nine Inch Nails

I'm becoming less defined  
As days go by  
Fading away  
Well you might say  
I'm losing focus  
Kinda drifting into the abstract  
In terms of how I see myself Sometimes  
I think I can see right through myself  
Sometimes  
I think I can see right through myself  
Sometimes  
I can see right through myself Less concerned  
About fitting into the world  
Your world, that is  
'cause it doesn't really matter  
Any more  
No, it doesn't really matter  
Any more  
None of this really matters  
Any more Yes I am alone  
But then again I always was  
As far back as I can tell  
I think maybe it's because  
Because you were never really real  
To begin with I just made you up  
To hurt myself  
I just made you up  
To hurt myself  
I just made you up  
To hurt myself  
And it worked  
Yes it did There is no you  
There is only me  
There is no you  
There is only me  
There is no fucking you  
There is only me  
There is no fucking you  
There is only me Only only only Well the tiniest little dot caught my eye

And it turned out to be a scab  
And I had this funny feeling  
Like I just knew it's something bad I just couldn't leave it alone  
I cut off that scab  
It was a doorway trying to seal itself shut  
But I climbed through Now I'm somewhere  
I am not supposed to be  
And I can see things I know  
I really shouldn't see And now I know why  
Now I know why  
Things aren't as pretty  
On the inside There is no you  
There is only me  
There is no you  
There is only me  
There is no fucking you  
There is only me  
There is no fucking you  
There is only me Only only only only only only?
