Been To Long

My Little Funhouse

(Lyrics and Music-Anthony Morrissey)

Been too long

Sitting there quietly making like the breeze
Moves like lightning baby right between your knees
Calling out softly baby calling to the sun
Doesnâ€™t matter now girl â€˜cause youâ€™re all the way gone

Chorus:
Well itâ€™s been too long
Oh youâ€™re all the way gone
Well itâ€™s been too long
Oh youâ€™re all the way gone

Why did you leave me why did you go
Why didnâ€™t you call me thatâ€™s all I want to know
Why didnâ€™t you call me when you went away
You know I wouldâ€™ve answered girl baby just to say

Chorus

I finally found the garden with the hit and run
All the roses went away they were nearly all gone
Well there was only one left standing in this barren world
The cutest rose Iâ€™ve ever seen youâ€™re my little girl

Chorus

Bring it down now

Why did you leave me why did you go
Why didnâ€™t you call me thatâ€™s all I want to know
Why didnâ€™t you call me when you went away
You know I wouldâ€™ve answered girl baby just to say

Been too long girl, been too long girl
Been too long girl, been too long girl,
Been too long,

Been too long,
Well itâ€™s been too long
Oh youâ€™re all the way gone

How far did you go away, you know you could have stayed
Why donâ€™t you just come back, â€˜cause we all know you love me Jack
How far did you go away

Five thousand miles
