

Seagull (Remastered)

Bad Company

Seagull, you fly across the horizon
Into the misty morning sun
Nobody asked you where you are going
Nobody knows where you're from Here is a man asking the question
Is this really the end of the world
Seagull you must have known for a long time
The shape of things to come
Now you fly through the sky
Never asking why, and you fly
All around till somebody shoots you down Da-da-da-down, mmm, mmm Now you seagull you fly, seagull you
fly away
And you'll fly away today
And you'll fly away tomorrow
And you'll fly away, leave me to my sorrow
