

# Footprints

## T.O.K.

Cry, cry, cry Yo, one set a footprint inna di sand  
And yuh, a rumble and a screw, yuh, tink it should a be two  
Memba one tink mi yute a Fadda God a we plan  
So when, yuh, see one set a footprint a God a carry you "Hurry up and come back", was the last thing she said to  
her son  
The day his life was taken  
She didn't know he wouldn't come back  
He died from the bullet of a gun and now her little boy is gone She said, "Help me, Lord help me"  
Then she looked up to the sky, then she heard a voice reply When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you  
When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you Another baby left homeless, abandoned when he was two  
So the streetside kids at the shopping mall was the family he knew  
It's not easy being homeless  
Sometimes you have to do what you have to do  
And he didn't have a mom or dad, to help him get through He said, "Help me, father help me"  
And he looked up to the sky and he heard a voice reply When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you  
When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you It was early Sunday mornin', me get up and watch di news  
Then mi hear seh last night a Seaview dem kill a yute  
Then, mama tell mi seh har church sista Jacqueline  
Just lose har brodda, ova Seaview Garden When she tell mi Jah Jah know it, mash mi up nah tell nuh lie  
But she know seh man a thuggish so, yuh nah go see mi cry  
Everyday and every night she still a ask di Fadda why  
Her brodda had to die, she hear her voice reply When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you  
When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you  
When you cry I cry, I cry along with you  
When you smile I smile, I smile along with you
