

I Can't Get Started

[Keely Smith](#)

I've flown around the world in a plane
I've settled revolutions in Spain
And the North Pole I have charted
Still I can't get started with you

On the golf course, I'm under par
Metro Goldwyn have asked me to star
I've got a house, a showplace
Still I can't get no place with you

'Cause you're so supreme
Lyrics I write of you, I dream
Dream day and night of you
And I scheme just for the sight of you
Baby, what good does it do?

I've been consulted by Franklin D
Greta Garbo has had me to tea
Still I'm broken-hearted

'Cause I can't get started with you
