Nine Lives

Midnight Juggernauts

I've lived nine lives, I've lived them well
I've carved my crash course straight through hell
I've broken bones, I've had my spills
It fuels my cyclone heart soKeep it coming
Keep it coming
Keep it coming
Keep it comingStraight through the sun
Straight through
Straight through the sun
Straight throughStraight through the sun
Straight through
Straight through the sun
Straight throughThis world don't mean a thing to me
Without those songs you sing to me
Those feline eyes are all I see
It fuels my cyclone heart soKeep it coming
Keep it coming
Keep it coming
Keep it comingStraight through the sun
Straight through
Straight through the sun
Straight throughStraight through the sun
Straight through
Straight through the sun
Straight through
