Just Let Go (Thin White Duke Remix Radio Edit)

Fischerspooner

Deep in this anatomy buried
Deep in this anatomy buried
All this determination to make it make sense
All this determination, you can find it if youJust let go, just let go, just let it go
Just let go, just let go, just let it goStripped to the core, robbed of ration
Instinct gives rise, robbed of ration
Audacious and precise, the body lunges forward
Defeating time, you can find it if youJust let go, let it go, just let it go!
Just let go, let it go, just let it go!Violence of the gesture cutting through space
The face, the effort to be made
The face, the face, the face the enemyJust let go, let it go, just let it go
Just let go, let it go, just let it goJust let go, let it go, just let it go
Just let go, let it go, just let it goJust let go, let it go, just let it go
Just let go, let it go, just let it go
