Zig-Zag Walk

Foghat

The way you walk ain't walkin'
It's something mama don't allow
Let your hips do the talkin'
And pretend you don't know howRuby red, oh, baby blue
Heaven knows what I can for you
When you're out there doin' the zig-zag walkStiletto heels in stockings
Trace the seam up to the top
And you're daring me to touch you
But I won't know where to stopA little rude, that's what you say
It must be hard to keep the wolves at bay
When you're out there doin' the zig-zag walkZig-zag, well, it's my kinda move
Big drag if I can't cut the groove
No stone gonna be unturnedWhen you're walkin', walkin' and a-talkin'
Baby, doin' the zig-zag walk
Uh, doin' that walkThe way we love ain't lovin'
Don't do nothin' for my heart
Just a physical attraction
You're the bulls-eye, I'm the dartAt least I know the way you feel
Don't care nothing for a love that's real
When you're out there doin' the zig-zag walkZig-zag, walk like Marilyn Monroe
Zig-zag, talk like Brigitte Bardot
No stone gonna be unturnedWhen you're out there, walkin' and a talkin'
Baby, doin' the zig-zag walk
I said baby, doin' the zig-zag walkDoin' that walk, umm, fantastic
Ooh, la, la, la, [Incomprehensible]
She's doing that walk
The zig-zag walk
Doin' the zig-zag walk
She's doin' the zig-zag walk
Doin' the zig-zag walk
Yeah she's doin' that walk
