

See

Kamchatka

So this is your picture?
Well, that's what you say.
That a square has four corners
and so it shall stay.
Wouldn't it be better
if you were wrong?
Can't you just open
both of your eyes.Come on I'll show you 'round.
Don't be scared of what could be found.
So many things to see.
Come on, now, follow me.
Follow me.So what is the meaning?
Why do I care?
All this is hopeless.
We've got nothing to share.
I don't mean to judge you.
I don't mean to preach.
I just wanna be a friend
that you can reach.Come on I'll show you 'round.
Don't be scared of what could be found.
So many things to see.
Come on, now, follow me.
Follow me.
