

Spread Your Wings

Spiritualized

Oh babe, you know I'll take
Just a little bit more, just a little bit more
And time, time goes, time goes slowly by
When I know that it can fly
Come on spread your wings, spread your wings
Spread your wings Oh babe, you know I'll take
Just a little bit more, just a little bit more
And time, time goes, time goes slowly by
When I know that it can fly
Come on spread your wings, spread your wings
Spread your wings You can do anything, everything, anything
