

Show and Tell (feat. Eric Bellinger)

Sammie

Oh

Oh

Ooh!

Tha Biz, Tha Bizness Where the blunt at, baby? Where the la la?

Where the bottles? Waiter, what's the problem?

I'm just tryna go up, I'm just tryna get it

All theses ladies in my section, every one of them can get it They say you can't find love in the club, I don't agree

As soon as I pull up on the club I'm going deep

I took your shawty back to my room, hide-and-go-freak

You've been talking real good all night, let's see

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to, show and tell

Sh-show and tell

Baby, you gon' have to show me, show and tell

Sh-show and tell

Slim thing with your cute ass

Your body crazy

I wanna work it from each and every way

Come here with your cute ass

On it like pronto

Beat it like a congo, king of the jungle They say you can't find love in the club, I don't agree

As soon as I pull up on the club I'm going deep

I took your shawty back to my room, hide-and-go-freak

You've been talking real good all night, let's see

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to show me, show me

Baby, you gon' have to, show and tell

Sh-show and tell

Baby, you gon' have to show me, show and tell

Sh-show and tell

Go Sammie, take it to the crib (Girl, if you a freak)

If you a freak (Drop down, get your wiggle on)

Yeah, shake it to the bed (Left, right, left, right, yeah)

Milly rock, it's your favorite song
(Gotta show me that you want it, want it, girl)
('Cause theres a lot of girls ready to be on it)
I'm looking for somebody to choose
How will I know if it's you? Baby, you gon' have to show me, show me
Baby, you gon' have to show me, show me
Baby, you gon' have to show me, show me
Baby, you gon' have to show me, show me
Baby, you gon' have to, show and tell
Sh-show and tell
Baby, you gon' have to show me, show and tell
Sh-show and tell
Yeah, you gon' have to Show me, baby, show me, baby
Tell me, if you put that on me will it drive me crazy?
Girl, you gotta show me that you want me
When I'm lonely come and put it on me
Girl, show me what you workin' with, show me you a boss
Do you only put that on just so I can take it off?
You've gotta, gotta show me, baby
Show me, oh Yeah, it's Sammie, baby
Ya, dig?
Baby
My God
Woo! You gon' have to
Show and tell
Sh-show and tell
You gon' have to
