Are You All Reet

Cab Calloway

Do you come on like Shorty, George and me?
Just spill some jive, we'll dig you out, you see.
Well, all reetAre you ready? (yes, we're ready, Joe)
Jumping steady? (Jumping steady, Joe)
You look solid, Joe,
All I want to know
Are you all reet? (yes, we're all reet)You can get it (yes, we get it)
If you set it (yes, we set it, Joe)
Come on, let me go
All I want to know
Are you all reet? (yes, we're all reet)I'm like a tree, I'm all root
Hep to the jep, what it's all aboot
Stashed like a top, don't miss a stop
I dig my kicks from the groovy lotAre you really? (yes, we're really)
Trilly-frilly? (woo-woo, woo-woo)
I don't go Navaho
Come and let me know
Are you all reet? (yes, we're all reet)(Are you ready, Joe?) yes, I'm ready, old man
(Jumpin' steady, Joe?) jumpin' with the jive, Jack
(That's all we to know) what do you want to know?
Are you all reet?
Jump in the groove and goYes, he's all reet
Yes, he's all reetI'm like a tree, I'm all root
Hep to the jep, what it's all aboot
Stashed like a top, don't miss a stop
I dig my kicks from the groovy lotAre you really? (yes, we're really)
Trilly-frilly-frilly-frilly-frilly? (woo-woo)
Now, don't go Navaho
Come and let me know
Are you all reet? (yes, we're all reet)There's one thing we want to know
Are we solid, do we send you, Joe?
We are ready and we want to know
Are you all reet?
